ISAT Testing

On Wednesday, March 6th, we will begin our 2013 Illinois Standards Achievement Tests. Students in 3rd - 5th grade will participate in the ISATs in the areas of Reading and Math, as well as Science in 4th grade.

Students will be beginning tests first thing in the morning, so **being on time to school is critical**. If they arrive late to school, we cannot interrupt testing. They will have to make up the test at another time, causing them to miss other instruction. Help your child by making sure that get a good night's rest!

Please contact me with any questions or feedback.

Sincerely,
